
From Principal's Desk

Dear Parent,

Greetings!

A very warm welcome to you all as we begin another exciting academic year. We wish each one of our students a successful, fulfilling, and joyful year ahead, filled with learning, growth, and new achievements.

We are delighted that the infrastructural improvements introduced this year, along with the changes in the school uniform, have received such a positive response. These changes are part of our continued effort to create a comfortable, progressive, and enriching environment for our students.

We sincerely thank you, dear parents, for your valuable support, cooperation, and trust. Your partnership plays an important role in helping us nurture our children and provide them with the best possible educational experience.

We look forward to working together and making this academic year a truly successful one for our students.

Thank you, and wishing everyone a wonderful year ahead!

Warm regards,

Principal

Pre- Primary Events and Celebrations

Colour-Days

We introduce different colours to little ones by celebrating different colour days.

17th April-Purple Day

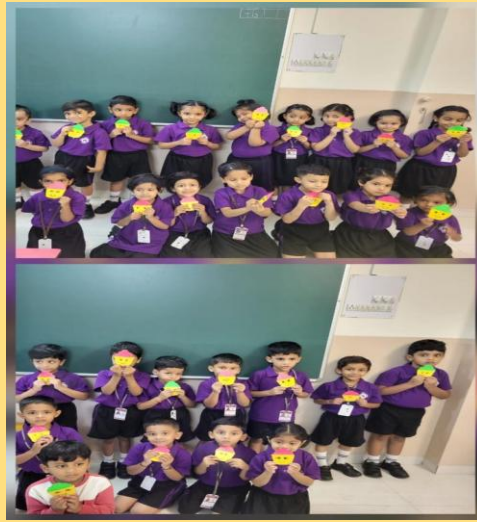

24th June Blue Day

Blue Day Celebration

Bonding Time ---Month of April

Master mind Winners

15th June-Orientation Pre-Primary

CISK organised orientations for Pre-primary section to make parents and students aware of functioning of the school. Orientation was conducted by Principal Mrs. Padmaja Chavali and CISK Pre-primary Staff.

Primary and Secondary Events

Field Trips 2026-27

In the first trimester CISK organised field trips for Grades 1 to 10 to different locations. Field trips are an important part of school education as they provide students with valuable learning experiences beyond the classroom. By visiting museums, historical sites, science centres, or nature parks, students get the chance to see real-world applications of what they study in textbooks. These trips make learning more engaging and memorable, encouraging curiosity and a deeper understanding of different subjects. Field trips also help develop important life skills such as teamwork, communication, and responsibility. In addition, they expose students to new environments, cultures, and sometimes even career paths, broadening their horizons. Overall, field trips are organized to enrich education, inspire learning, and support the personal and social development of students.

11th April - Field Trip - Grade 10
Science Park Akurdi

11th April - Field Trip - Grade 9
RK Laxman Museum Balewadi

25th April- Field Trip - Grade 8
IITM

27th April - Field Trip - Grade 7
NDA

30th April June - Field Trip-Ayurveda research centre Kothrud

14th June - Field Trip - Grade 5
Agakhan Palace

28th June - Field trip - Grade 4
Balasaheb Devras Aviation Gallery
